Thank you for your Support!

From the President

Shipmates,

We had a great reunion last October and our fifth is scheduled for October 2011, also in San Diego. Our experience with non-San Diego reunions is low turnout plus reunions over holidays are not a good idea. Last year the turnout was wonderful, particularly at the Saturday night dinner.

The purpose of this newsletter is to encourage you to set aside time for the 2011 reunion and to stay current with your annual dues. Please update current names and addresses for our members and submit names and addresses for those shipmates not yet members. Look forward to seeing all of you October 2011. Fraternally, Jerry

Military Locator & Reunion Services

ML&RS will, for the fifth time, plan and run the Association's San Diego Reunion. As in the past they will mail an information and registration packet to all BRADLEY former sailors, who presently have up-to-date U.S Postal Service mailing addresses on file with the Association. If you received this email we have your correct address. Anyone knowing ANY former BRADLEY shipmates who have moved recently or were NEVER registered with the association please contact the Association's secretary as soon as possible. We don't want any of our former shipmates to miss the opportunity for four great days of fun, relaxation and fellowship this reunion will provide.

Newsletter Articles

We are always looking for articles to publish in the ship's newsletter. The association has published, mailed and placed on the ship's website, www.ussbradley.com two newsletters per year. Anyone can and should write about their experiences while onboard **BRADLEY**. One does NOT have to be a good writer or author to write about his shipmates and the ship we all have in common. If you'd like to get some ideas about what type of an article you could write simply check out the ship's website cited above. If you DON'T have internet access or a computer your local library does and they will be glad to help you access our ship's website.

GOT PHOTOS?

Another great feature of our ship's website, www.ussbradley.com is the photo collections placed there by various former BRADLEY shipmates. Do you have any old photos or slides of you and your buddies from the years you and they served aboard BRADLEY? Well, why not contact our Webmaster, Tom Hyett and have them added to the other collections posted for all BRADLEY shipmates to share on our very own internet website?
